

# Create a character

People in plays are made more real if they are rounded personalities...

Age, gender, clothes, fashion, personality, moods, friends, hobbies, hairstyle, habits, ideas, food habits, relationships with other people, attitudes, social class, ethnicity, accent, family, marriage, children, storyline and how it affects people, past experiences, amount of money, way of life, sports,

People in plays are made more real if they are rounded personalities...

Add your own ideas to the list above.

Not everything is there!

- 
- Choose a character in a play you enjoy and describe him or her.
  - Use the ideas above to create characters for your own drama
