

## How does your parents' work (or lack of it) affect your lives?

Use the following headings to help you think about the influence of work or unemployment on all people's lives.

**Family life?** *Write down lots of ideas about the influence of work on the family.*  
*-relationships?*

*-childcare for younger members?*

*-time to spend with each other?*

**Family Health?** *People's health is affected by the work they do.*

**Who you are in the community?** *People get status from their work.*

**Where you live** in relation to work or the job? *Think about travel arrangements or part of the country*

How you spend your **spare time** and **holidays**? *How much spare time do people have?*

What kind of **lifestyle** you can afford? *This can be affected by your pay or salary.*
