

## WELSH GCSE

### COURSE OUTLINE

Welsh GCSE is a valuable qualification to have if you are intending to live and work in Wales in the future.

71% of employers in Wales state that the ability to speak Welsh and have bilingual skills is desirable for jobs in their companies.

Employers are actively seeking Welsh speaking staff and pupils who study GCSE Welsh have the edge over other applicants.

### COURSE ASSESSMENT

The Welsh course on offer leads to a full GCSE qualification at the end of two years.

You will be fully supported in lessons and extra sessions will be available at lunchtimes and after school for you to develop your skills.

You will receive 5 hours of lessons per fortnight and you will gradually work through a series of booklets on various topics. Coursework is 25% of the final mark.

The course will be great fun and you will have the opportunity to go on a range of trips!
